Changes made to Specific Destinations to be included
On Duke’s Restricted Regions List

Below you will find the changes to the Restricted Regions List (RRL) that were discussed and recommended to the Provost by the Global Travel Advisory Committee during their Mar/Apr meeting. The Provost accepted these recommendations and they went into effect on April 10, 2019.

To view the RRL in its entirety, with the below changes incorporated, please visit https://travel.duke.edu/restricted-regions-list.

- Honduras will have the majority of the country restricted with the exception of Roatan Island.
- Mexico will be adding the city of Guanajuato and the State of Chiapas to the RRL
- Belize will be added for the border with Guatemala restricted
- India’s States of Arunachal Pradesh and Mizoram will be restricted
- Kyrgyzstan/Kyrgyz Republic will have the border with Uzbekistan added to the restriction
- Liberia will be added for the border with the Ivory Coast
- Panama will have the border with Columbia noted in the restriction
- Thailand will see the Thai-Malay and Thai-Myanmar/Burma border restricted
